

AT Conference Expands International Toll-Free Conference Call Service

International Toll-Free Access from 17 Countries Addresses Business Needs in an Expanding Global Economy.

Southampton, NY, May 28, 2008 -- AT Conference, Inc., a leading provider of conference call and web conferencing services, today announced it has signed an agreement with Tata Communications Ltd., to provide country-specific international toll-free access to its customers. AT Conference users now have the added convenience of participating in conference calls outside the US and Canada without incurring costly long distance charges.

"We are pleased to respond to our customers' needs in a widening global economy. The addition of this service is part of AT Conference's commitment to expanding its suite of conferencing services to meet business requirements." said David Jannetti President and CEO of AT Conference.

"We are excited to be able to leverage the power of Tata Communication's vast global presence for our customers," Jannetti added.
